

WORLDWIDE CLAIMS SERVICES

The Members of vrs Adjusters:

- are independent claims service providers with long traditions of excellence in their home insurance markets
- are entrepreneurial 'owner/operators' who work together because we want to
- use a tailored approach to each claim situation; vrs is not a "one size fits all" organisation. The adjusting skills always fit the individual claim
- focus on major incidents and corporate programmes – expertise is not diluted by the demands of volume processes
- have a proven track record in the management of global insurance programmes
- provide fully accessible, on-line MI
- are committed to our clients and their needs.

In this directory you will find the contact names and address details of all our offices.

GLOBAL EXPERTISE

More than 2500 highly experienced loss adjusters and associated technical staff provide client-focused claims services across all lines of insurance business. vrs will ensure compliance with local procedures and regulations whilst embracing best global practice principles at all times. vrs Adjusters ensures that the right skills are applied to any situation with no compromise on quality or standards.
